

## SLIDING FEE APPLICATION

Open Cities Health Center is committed to ensuring you and your family are able to receive the care that you need regardless of your financial status.

We offer a nominal fee scale for patients and their families who are below 200% of the federal poverty guidelines. This is called a "sliding fee scale"; eligibility is based on family size and income.

Family/Household includes you, your spouse and your children, or anybody else in your household that you support.

Our Sliding Fee Scale applies to the following services: Medical, Dental, Behavioral Health, Eye and Chiropractic Services.

Federal poverty levels change every year, it is your responsibility to apply on a **yearly** basis depending on your need or if your situation changes.
